March 2023 Session of Community Health Learning Collective (CHLC)

Topic: Data Literacy

Our Community Health Learning Collective (CHLC) is a monthly gathering of CHWs, Promotores/as de Salud, CHRs, and others who value the health of their communities. This month we are thrilled to welcome Margarita Reina, Senior Epidemiologist at The Chicago Department of Public Health (CDPH). Margarita will be speaking about data literacy and guiding the group through ways CHWs can utilize data to inform and impact the community.
