The HAP Foundation welcomes Betsy Foley as Board of Trustee

The HAP Foundation inducted five new members into its Board of Trustees including Betsy Foley. The HAP Foundation, an independent nonprofit, provides education, advocacy, workforce development, and research around hospice, palliative care, grief, and serious illness for children and adults. With the addition of these leaders, The HAP Foundation aims to leverage their knowledge and experience within their specialties to expand its reach. Foley resides in Winnetka, IL.

"The HAP Foundation's Board of Trustees remain committed through their strength, history, and keen vision for the future. Mrs. Foley's passion for fundraising, board governance, and strategy planning makes her a fitting addition to the Board of Trustees," said Joseph Matty, President. "I am confident of her impact and look forward to working with her as The HAP Foundation continues to grow."

Foley Biography:
Betsy Foley has been involved and served on the boards for hospice and palliative care organizations in the greater Chicagoland area for 11 years including JourneyCare and legacy Midwest. She has also co-chaired several successful fundraising events including JourneyCare's Project Runway. Foley is passionate about education and resources for families and patients living with serious illnesses.

About The HAP Foundation:
The HAP Foundation is an independent nonprofit that provides education, advocacy, workforce development, and research around hospice and palliative care for all ages. With four decades rooted in direct patient care, it currently focuses on educating communities and professionals on hospice and palliative care; engaging in community-based research to better understand and impact disparities in hospice, palliative care, and grief support; and advancing policies that assist individuals and families during end of life.
