Advance Care Planning with The Five Wishes, Part Two: A Chance to Complete Your Document.

This session will serve as a follow-up to the previous Five Wishes Workshop held in February. Now that you have learned the benefits of having an advance directive, you may be ready to complete the document.

Drop in for an in-person completion workshop, with communal support. You can complete your document and ask the facilitator any questions that you may have. In a group setting you can complete your document and have another participant act as your witness. Copies of the Five Wishes will be available on-site.

**Tuesday, March 12th, 2024, from 1:00
PM to 3:00 PM CST
In-person at 2502 N. Clark St.
