Missing Pieces, Child Loss Grief Support Network

 missing pieces

172 Families served in 2023.

Launched HAP Center for Learning to Drive Educational Development: *Educational Development for Community Health Workers*

 The HAP Foundation

Center for Learning

- 1 Created a 1-year apprenticeship program developing skills through instruction and on-the-job training.
- 2 Implementing an AmeriCorps Seniors Workforce Development Program through a federal grant to employ Community Health Workers over age 55 in select counties throughout the state.
- 3 Offering existing Community Health Workers an opportunity to upskill in serious illness care, hospice, palliative care, and grief support.

Events

Engagement with **858** people through community events

- Butterfly Run

- Symposium of Serious Illness Care
- The Proven IT Golf Outing at Cog Hill Golf Club

- Becoming Grief Informed: Support After Traumatic Loss from Suicide, Homicide, and Substance Abuse and Overdose

- HAP Heritage Event

Collaborations and Partnerships

- Improve access and efficiency of hospice supporting the **Illinois Hospice and Palliative Care Organization** and **Ohio Council of Home Care and Hospice**.
- Assist with curriculum development and delivery for the **Coleman Palliative Medicine Training Program** in pediatric serious illness care and community health worker utilization and benefits.
- **Research Opportunities:**
 - Received **\$6 MILLION** from **PCORI** to study strategies to support parents after a child's unexpected or traumatic death through **Missing Pieces** in partnership with **Ann & Robert H. Lurie's Children's Hospital of Chicago and University of Chicago**.
 - Finalized a research project in partnership with **NORC** at the **University of Chicago** to better understand the knowledge, attitudes, and behaviors of Black communities in Chicago regarding serious illness care.
- Earned an appointment for a HAP team leader to the **Illinois Department of Public Health's Community Health Worker Review Board**.
- Promote education and awareness of advance care planning using the **POLST form**.
