

# Child Life Hospice & Palliative Network (CLHPN)

**CLHPN is a professional community of Certified Child Life Specialists (CCLS) actively engaged in hospice and palliative care.**

To learn more about CLHPN and our education offerings for your organization, staff, or community, please contact us at [info.clhpn@thehapfoundation.org](mailto:info.clhpn@thehapfoundation.org)

## The CLHPN community focuses on:

Increasing awareness of the benefits of child life services for children, adults, and communities experiencing illness, trauma, and loss while receiving hospice and palliative care

Educating the wider healthcare community and child life specialists practicing in different settings about the role of child life in hospice and palliative care

Developing best practices in care for families experiencing serious illness

# Interested in joining the Child Life Hospice & Palliative Network (CLHPN)?

CLHPN welcomes Certified Child Life Specialists focused on care for children and families experiencing serious illness or death.

## Our community members:

-  Are at the forefront of establishing and implementing clinical best practices for Certified Child Life Specialists in hospice and palliative work
-  Attend monthly meetings that promote connection, education, and case study sharing
-  Receive optional PDUs when attending CLHPN education sessions
-  Participate in CLHPN's forum, a members-only place to seek supervision opportunities, problem solve tough cases, and receive educational resources

To learn more about joining CLHPN, please contact us at [info.clhpn@thehapfoundation.org](mailto:info.clhpn@thehapfoundation.org)
