July 2024 Session of Community Health Learning Collective (CHLC)

Please join us for our July 2024 session of CHLC. Our featured speakers will be Andrea Santiviago Báez Shindeldecker, BA, RMA, CNP, and Marimar Gutierrez of Make-A-Wish Illinois. Andrea Santiviago Báez Shindeldecker has been privileged to serve the state of IL through Make-A-Wish for over 5 years, she works as the Bilingual Senior Referral Outreach Coordinator. Marimar Gutierrez has worked for the past 2 years as the Community Engagement Manager focusing on developing the Inclusive Engagement Initiative to reach every eligible child, increasing brand awareness, and driving volunteer recruitment in the underserved areas in the city of Chicago. Make-A-Wish Illinois believes that: Together, we create life-changing wishes for children with critical illnesses. Our speakers will invite you to learn more about the mission of Make-A-Wish and how you too can help make wishes come true for children in communities across Illinois and beyond. They will review the referral process, wish journey, and Inclusive Engagement Initiative. Andrea and Marimar look forward to answering your questions and empowering you with information to help reach every eligible child in Illinois.
